Cando baseball and softball teams get under way

All other baseball teams got under way in the past 2 weeks including T-Ball (ages 4-6), Pee Wee (ages 6-9), Boys Midgets (ages 10-12), Babe Ruth (ages 13-15), Legion (ages 16-18) and Girls Softball (ages 13 & under). It takes a group effort to get these teams organized as well as coached. We would like to thank Laurie Komrosky, Nancy Reiser, Sherri Miller (and parents for T-Ball), Tanner Komrosky, Daniel Grande, Jacob Hagler, Jessie Vote, Grant Lindahl and Matt Swanson for their hard work organizing, scheduling and coaching - some in more than one capacity.

WETLANDS NEEDED for MITIGATION

Legally drained wetlands that can be restored could offer Devils Lake watershed landowners financial rewards. The reconstruction of roadways, dikes and other infrastructure, due to rising water in Devils Lake, has created a need for wetland mitigation credits in the Devils Lake watershed. The watershed contains all of Ramsey County and portions of Towner, Cavalier, Walsh, Nelson, Benson, Pierce and Rolette Counties. If you own property with a wetland drained through the permit process, drained prior to 1985, or otherwise legally drained by either a ditch or drain tile, Ducks Unlimited would like to discuss enrolling that property in its Wetland Mitigation Program. We anticipate offering participating landowners significant financial compensation. To discuss further, please contact Tim McNaboe, Ducks Unlimited at (701) 355-3566.
